## Login & Password Information

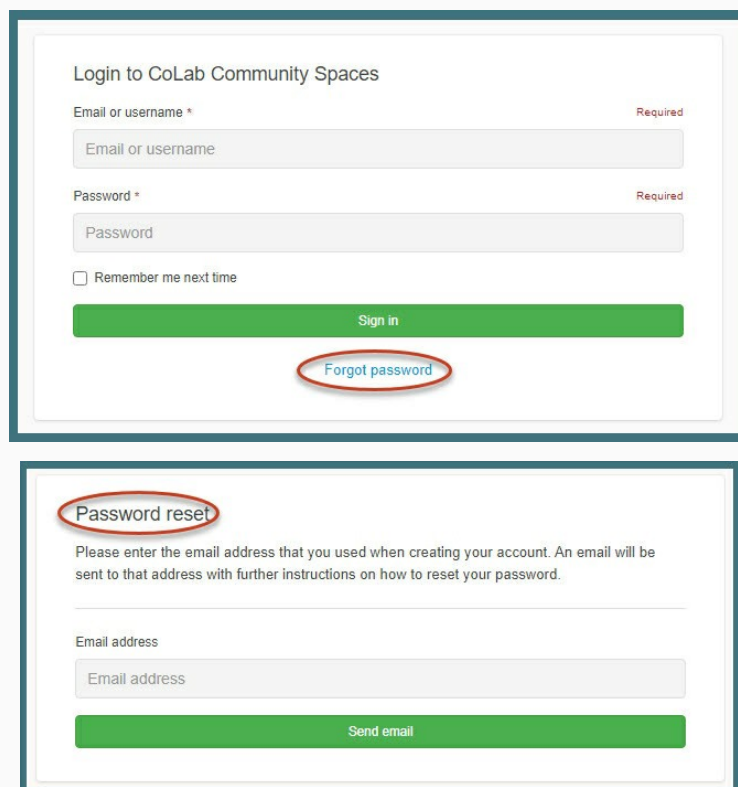

### Login

Login with your Username or your email; and the password provided to you. You are welcome to change your email and password however, the Username assigned to you remains the same. For more information, go to [Profile](#).

### Password

If you forgot your Password, send a reset request to the email connected to the User account. Often this lands in junk folders so search "reset" in your email boxes. Follow the instructions.

**Reset** your password at any time:

Select your Username/My Apps and Tools/Change Password.
