PRINT

- The print button is on the top right side of the viewer panel. Print to your printer or save to PDF.
- Printing is based on you and your browser print function. Options include: 1) select the printer and print a hard copy (not required as all data rolls into a printable report) or 2) select the "Print to PDF" option from the printer list and save the PDF to your computer.
- The PRINT feature may trigger your browser's pop-up feature, you'll need to *accept the pop-up* to see the print version of your entry.
