Analysis

Reports are customized based on data collection context and tailored for permission based recipients. Monitor reports online and/or download as PDFs. Evaluation is supported using **filters, analysis and/or custom analysis features**. Learn more about [reporting and analysis](#).

You may find it helpful to transfer the Analysis lists and tables into an excel document. The possibilities are endless, checking and keeping up-to-date in real time. Copy, paste, adjust and use to monitor as per your review task.

Note:

- A reminder that you are responsible for data once it has left the platform. See the [Terms of Use Agreement](#) for more information.
- [Summary Tab](#) displays the tool start date, status, partial entries, if permission, access to the raw data in the CSV Data.
