# DYK: How to add a comment and/or image

Version 1

COMMENTS & IMAGES

Add a comment and image on content.

ADD A COMMENT

Add a comment on content to provide feedback, ask questions, and start conversations.

*When you comment on content, you automatically '**follow content'** and will be notified when new comments are added or the content is updated.

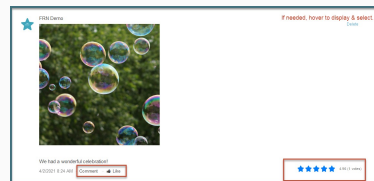

Participate and engage with others:

Like!

Rate using the 'stars'!

Comment on other posts.

*if needed, hover on the right and select 'delete' and create a new post.

UPLOAD A PHOTO IMAGE

Add and format an image:

Select the 'Image' icon on the editor panel

   or select 'Insert' then select the 'Image' icon from the drop down.
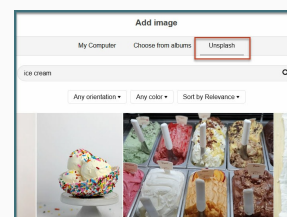

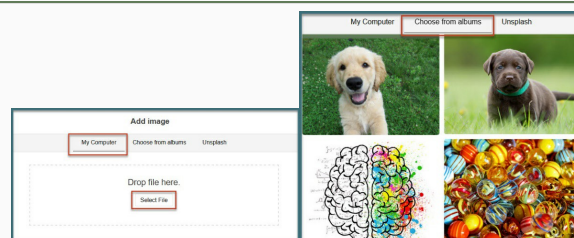

Click the camera icon.

Choose from:

- **My Computer.** Then select a file image from your computer.
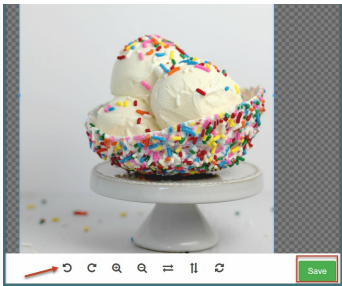

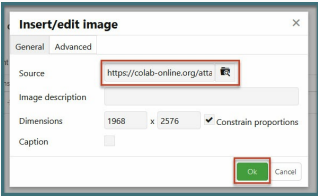

- **Choose from albums.** Stock images available.

- **Unsplash**. An internet source to search free usable images.

Crop image. Use the features to size, rotate and adjust your image.

Save.

The 'Source' now has your image. Select **'OK'**.	
Adjust the image. Use the corners to reduce the size. **Add text** to share more about your image. **Add comment** to publish.
